## PROFESSIONAL PROFILE

Creative and technically skilled Video Editor with a strong background in 3D Art and 4+ years of experience in visual storytelling. Recently transitioned to video editing, bringing with me a deep understanding of visual composition, pacing, motion graphics, and animation. Proficient in industry-standard tools and capable of delivering compelling content across digital platforms.

## WORK EXPERIENCE

### Senior 3D Artist | Causate | December - Present

- Video editing short film and color grading
- Creating VR of Artgallery
- 3D Render and Animation

### 3D Artist | Organic Mandya | Mar 24 - Present

- Creating Stunning High-Quality 3D Renders.
- Collaborated with design team to ensure models fit project requirements.

### Animation Intern | Pixelloid Studios | Mar 23 - Nov 23

- Contributing to projects with a focus on character movements and expressions.
- Gained hands-on experience with cutting-edge animation software.

### 3D Generalist | Audy Global Enterprises | Oct 20 - May 22

- Executed end-to-end 3D production, seamlessly integrating modeling, texturing, lighting, animation, and rendering processes.

## ACHIEVEMENTS

- Designed 3D Animations for TV commercials which was viewed by more than 1 million views.

## EDUCATION

- Advance Animation from Pixelloid Studios, Bangalore [2022 - 23]
- B.Sc in Animation & Film making from Picasso Animation College, Bangalore [2018 - 21]
